TO THE COMMISSIONER FOR PATENTS:

I, John A. Pinkney, hereby declare and state as follows:

Technology Center 2600

1. I am a joint inventor of the subject matter claimed in U.S. Patent Application No. 09/407,133 (hereinafter "the present application"). I am also a named author of the article "A Robust High Speed Indoor Wireless Communications System Using Chirp Spread Spectrum," *1999 IEEE Canadian Conference on Electrical and Computer Engineering*, Vol. 1, pp. 84-89, February 1999 (hereinafter the "Pinkney et al. article").

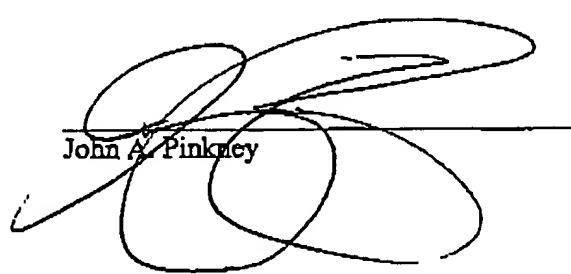

2. The Pinkney et al. article was published less than one year before the filing of the present application. Furthermore, the Pinkney et al. article identifies Telecommunications Research Laboratories (as "TR Labs"), which is the assignee of the present application.

3. The Pinkney et al. article describes work performed by me and the other co-authors named therein. Notwithstanding the authorship set forth in the Pinkney et al. article, the subject matter claimed in the present application that is coextensive with the Pinkney et al. article was conceived solely by me and/or coinventor Spence T. Nichols, and not by the other named co-authors of the Pinkney et al. article.
